Vision and Healthy Eyes

- I am concerned about Macular Degeneration, Glaucoma, Cataracts, Diabetes, or Dry Eyes
- My eyes burn or itch/water at times; I have allergies that affect my eyes
- My nighttime vision is worsening
- I use a computer for the majority of the day
- I'm interested in learning more about Vitamins or Supplements if evidence suggests they are helpful in reducing vision loss from Cataract, Macular Degeneration and Glaucoma
- I would like to know how I can learn more about Vision and Eye diseases
- I would like to know more about how an eye exam performed at the highest level can better detect signs of strokes, heart attacks, brain tumors
- Eye care begins at age 6 months...I'd like to know how an infant can be examined
- My child was screened at school and by the pediatrician...I'd like to know if that is sufficient
- Other than an annual Eye Exam, I would like to know what I should do mid-year if I have an eye problem like sudden loss of vision, pain in the eye, "pink eye", new diagnosis of Diabetes

Glasses

- Do glasses EVER get in the way (Sports, Photos, Social settings, Sun Bathing, Vacationing)
- I (or, my Child) wear my dress glasses for sports
- I would like to know at what age is sun protection necessary
- I tried "No-Line" bifocals in the past unsuccessfully, but would be interested in learning more if technology has improved.
- I would like to know how "emergency glasses" can be cost effective

Contact Lenses

- If single use Contact Lenses were very cost attractive for occasional use, I would be interested in learning more
 - I wore Contact Lenses in the past, but discontinued due to Dryness, poor Vision, poor Comfort, expense, or other _____
 - If Bifocal Contact Lenses are an option, I would be interested in learning more, especially if their success was assured
 - I am interested in Laser Vision Correction
 - If there were a device to correct and STOP the progression of poor distance vision without surgery, I would like to know more about it
-
- I would like to use the office web site for on-line frame selection and contact lens ordering
 - I noticed your office has an independent Hearing provider—I am interested in learning more
